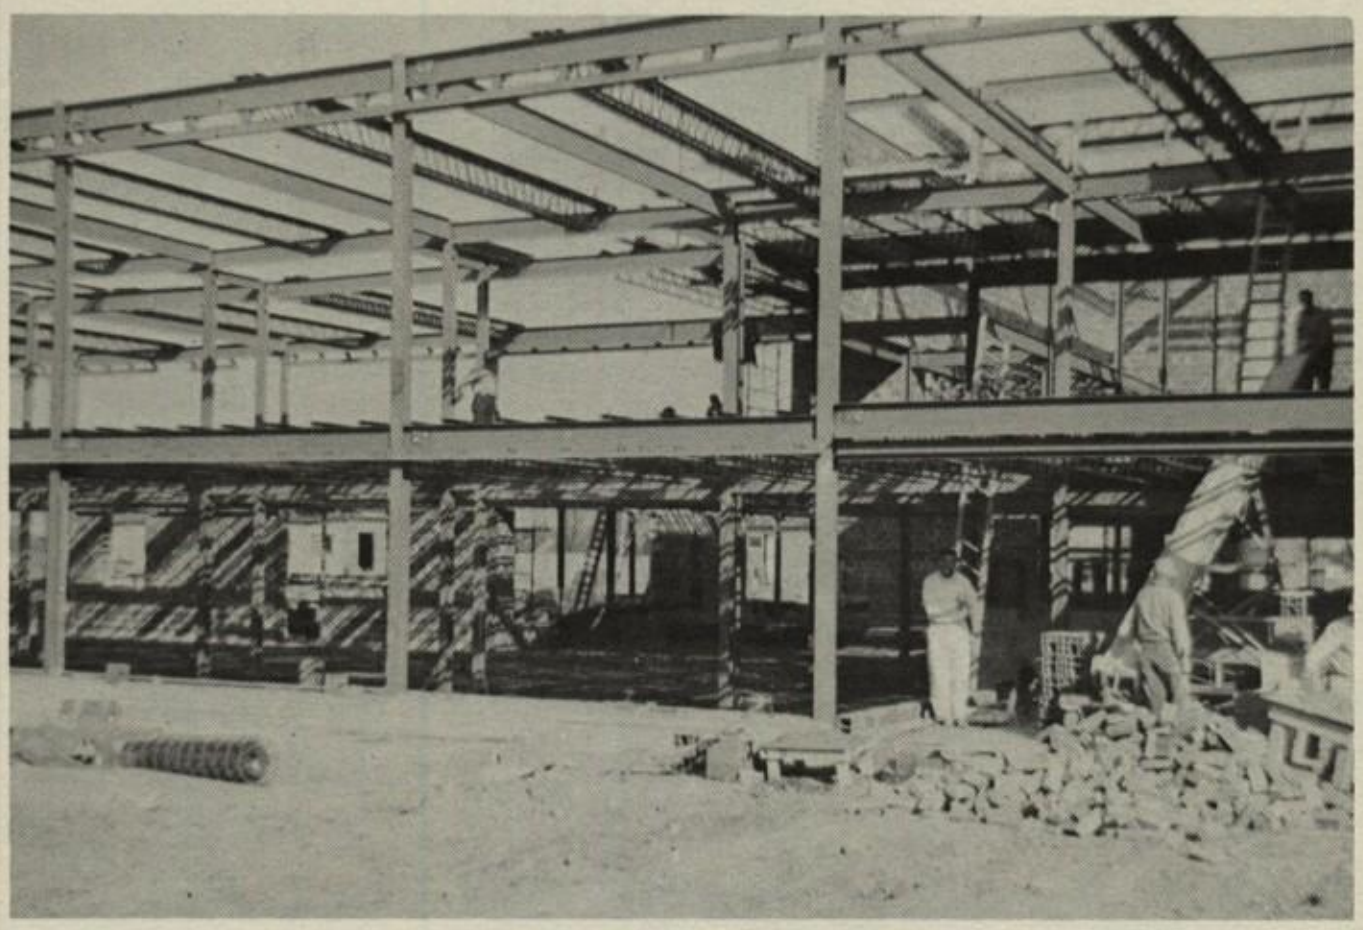
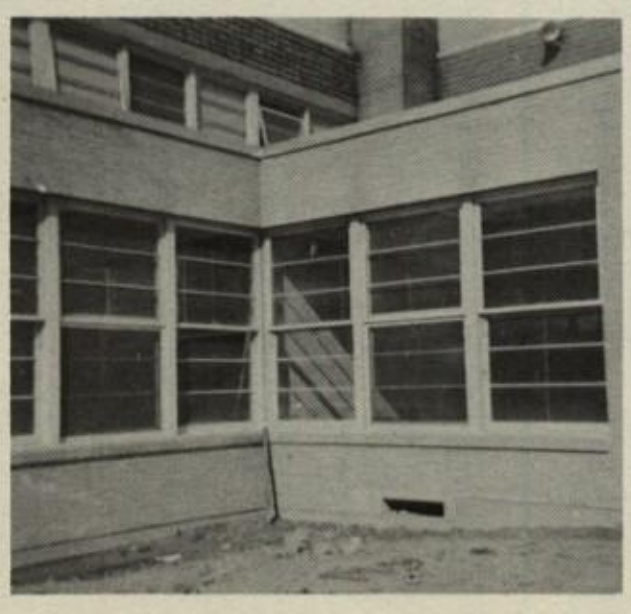
FOREWORD

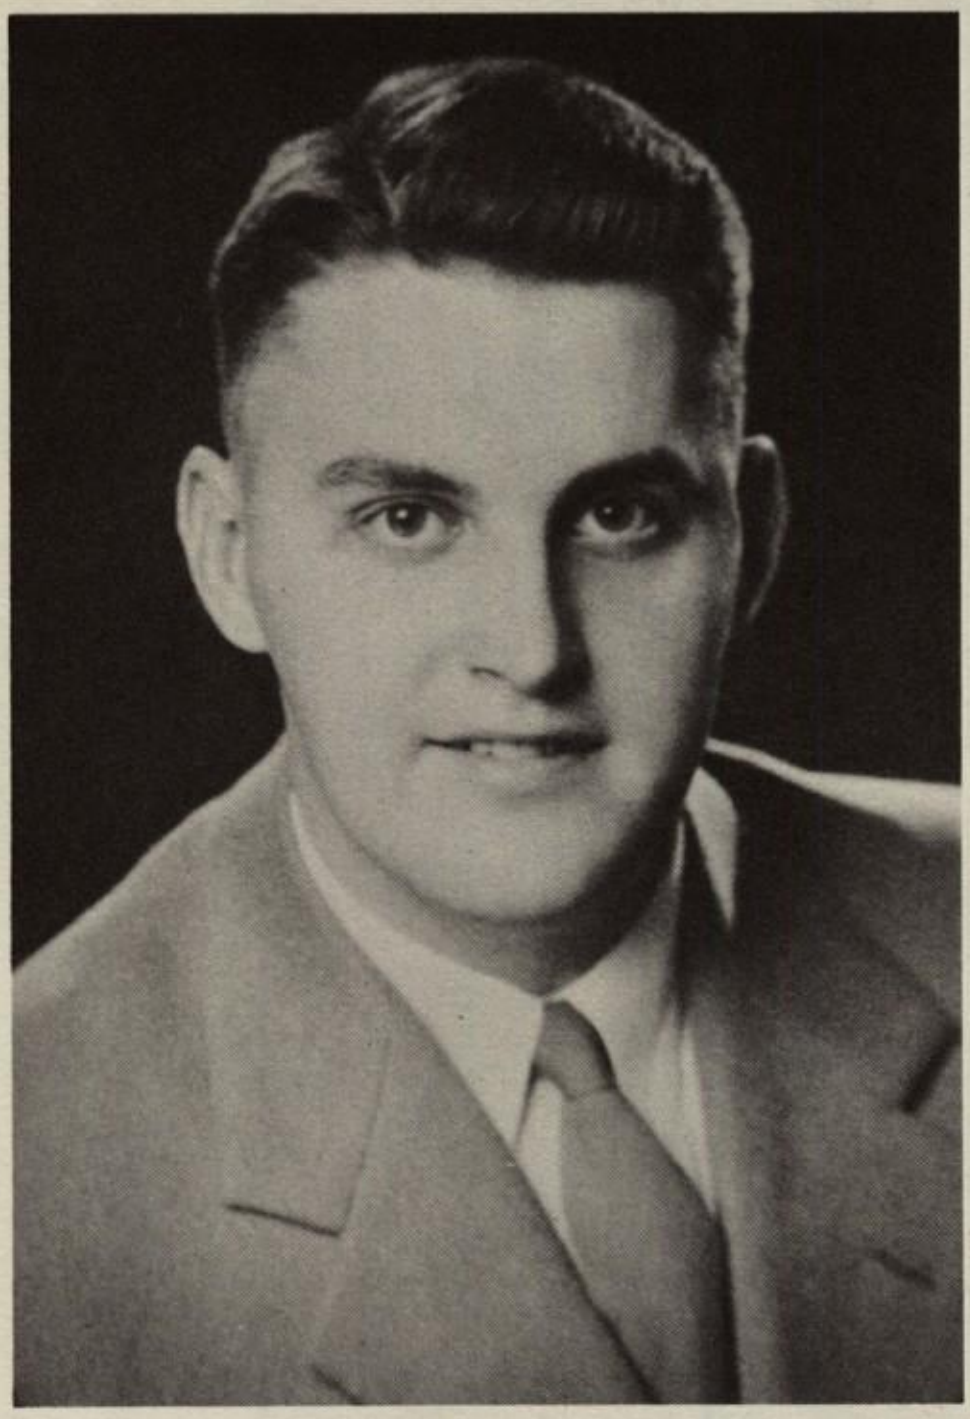


Throughout the past school year, we have heard the sounds of hammers, the ringing of steel, and the roaring of trucks. By putting these sounds together, we realize that in the near future we will have a new and improved school at Sherwood. Everyone is thrilled at the marvelous progress the constructors have accomplished.

In the new school, such things as sound-proof rooms, a bigger and better cafeteria, a larger shop, an addition to the gynasium, new locker rooms, lounge rooms for the teachers and a pay-telephone will be included.

The new school will leave many memories in the hearts of all those who respect it.

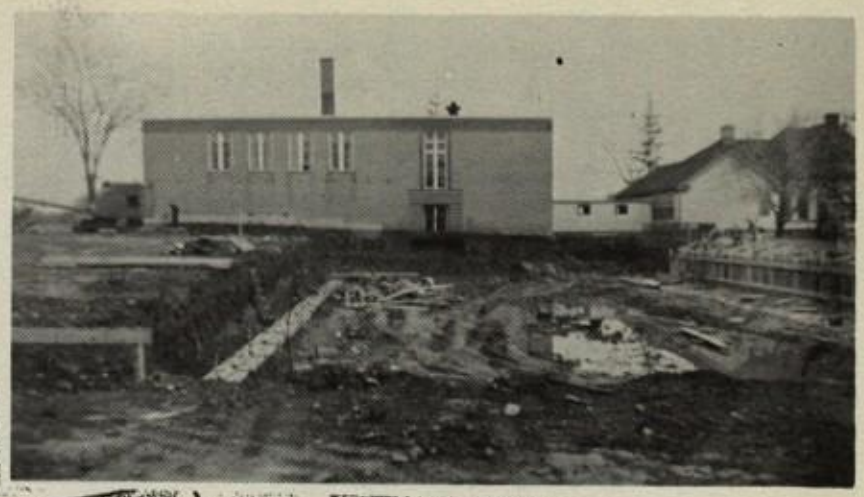


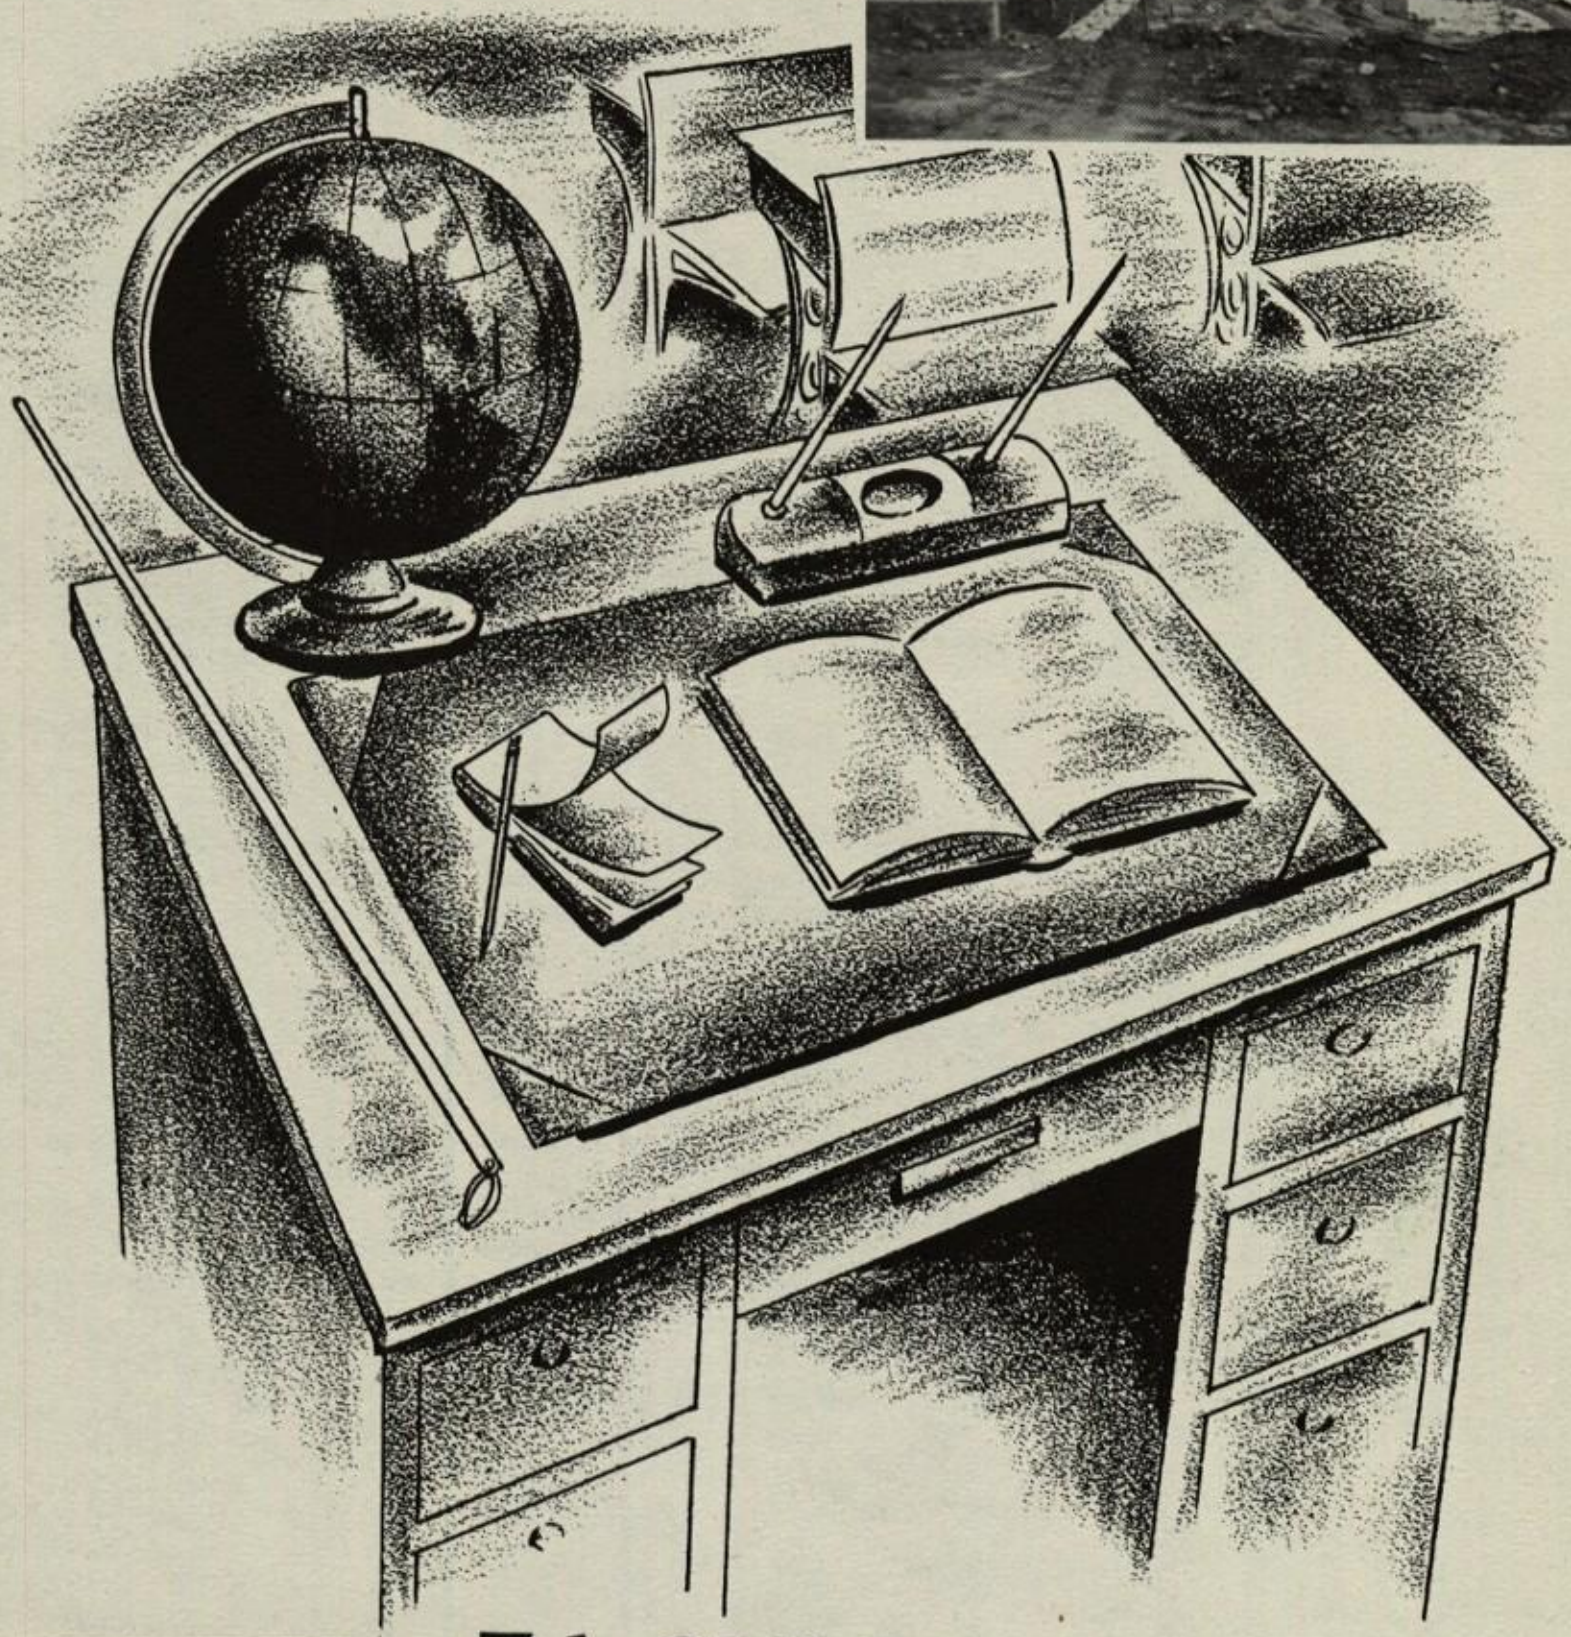


DEDICATION

It is a pleasure for us to dedicate this yearbook to our advisor, Mr. Kelly. It has been under your careful guidance and your helping hand that all of our undertakings as a class and as individuals have been successful.

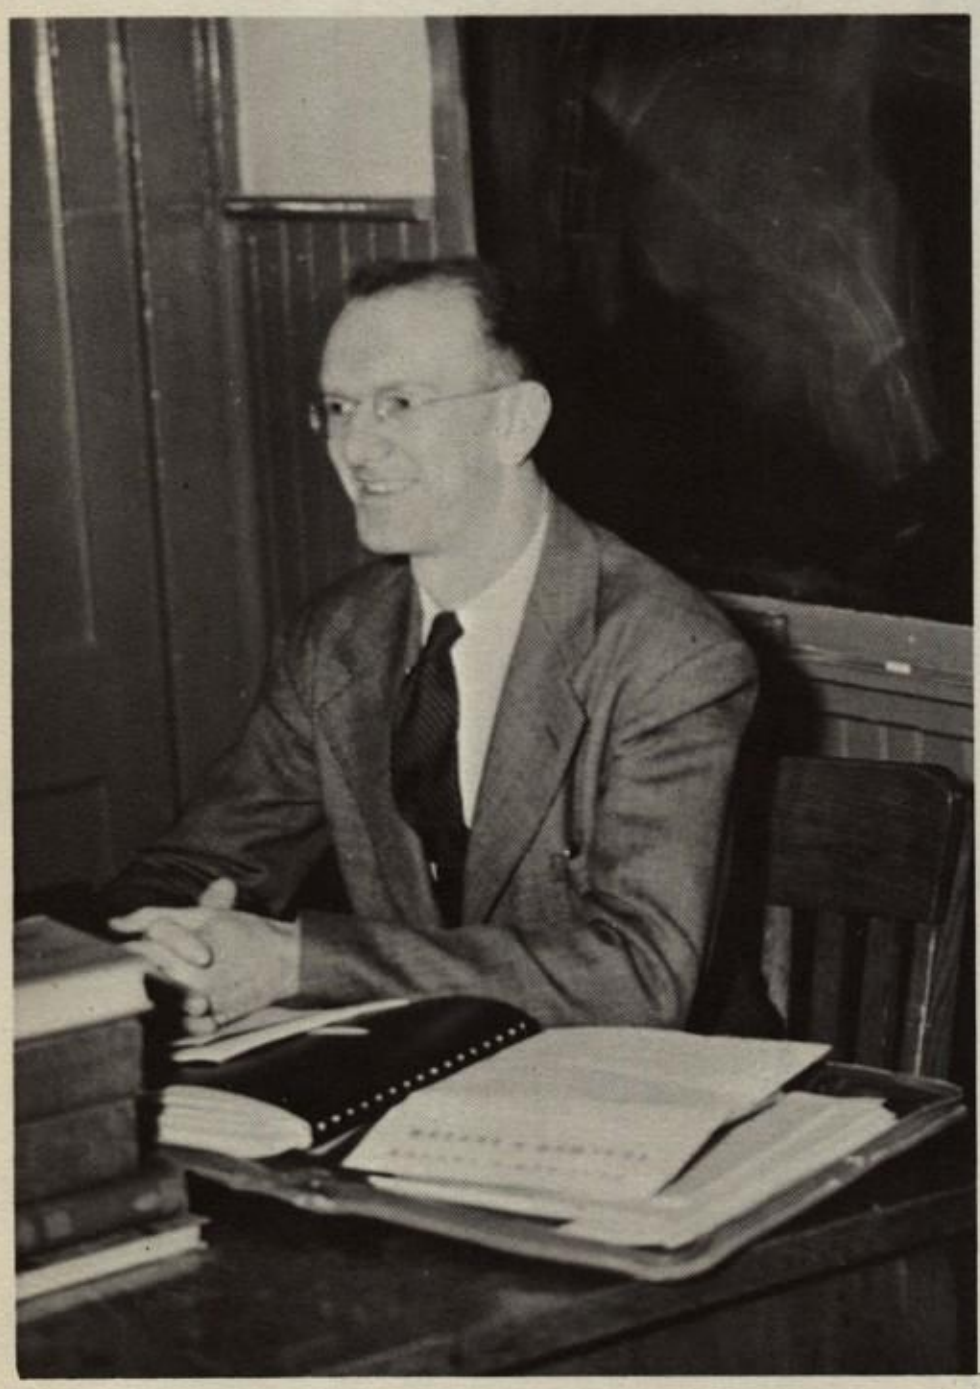
Your cheerfulness, friendliness, co-operation, and helpfulness will make you a prominent figure in the pleasant memories of our highschool days.





FACULTY

Mrs. Jetty, School Secretary and Mr. Gazley, Principal



Vice Principal, Mr. Fisher

"An adequate educational oppertunity through our schools is the birthright of every American citizen" is an extract from a policy of the U.S. Chamber of Commerce. The policy further states that suitable physical facilities are required to furnish this oppertunity. The people of this school district are to be complimented on their efforts to furnish these facilities into which our students will be moving next September. While we look forward to our new quarters, we may ponder sadly the passing of a landmark of education, the building erected through the efforts of Emily Howland for the children. Momentos of this symbol of educational oppertunity will be kept to remind us of those who were the pioneers of public schools in this area. It is altogether proper for us to remember that educational advancement in our nation has been due to those humanitarians who thought of the welfare of others, and acted to obtain the facilities which could produce these oppertunities for our children.

SENIOR CLASS HISTORY

It was September of 1950 when twenty-nine students entered the homeroom of Mr. Kelly. At last they were beginning the long climb to the cherished position of Seniors. These twenty-nine freshmen chose the following students as their leaders: Marcia Nolan, President; David Hewes, Vice President; Gail Thornton, Secretary; and Pat Nelson, Treasurer. The freshmen seats at Student Council were occupied by Ruth Nolan and Roy Lawrence. The first money they made as a down payment on the Senior trip was earned by selling magazine subscriptions for the Moravia Republican. Thus, their Freshmen year turned out to be very successful. They received five dollars for their fine performance of the play, The Highwayman at the Sophomore Fair.

The Sophomore class was decreased to twenty-three students. Barbara Woods, President; Gail Thornton, Vice President; Marilyn Welch, Secretary; and Ruth Becker, Treasurer; were the officers elected by the Sophomores. Kerwick Halicy and Joy Gillis were the representatives in Student Council. Mr. Kelly again proved to be an able guide for these students who were now one more step closer to being Seniors. The class colors that were chosen were blue and silver and the flower was the Carnation.

Instead of having the usual Sophomore Fair, the sophomores had a dance with music by the C Bar D Swingbillies. The most exciting day of all during this year was the day they received their Class rings. So ended the Sophomore year.

Mrs. Losurdo had charge of the Juniors. There were only eighteen in the class now. This surely would prove to be one of the most exciting of all. In order to earn more money toward the Senior trip, the Juniors sold stationary and also Tiny Tims. The Tiny Tims were stuffed dogs made with school colors. They became the cheerleaders' mascots. The Juniors together with the Seniors presented two plays this year, The Bishop's Mantle and The State Fair. December 22 was the date for "Winter Wonderland" which was the Junior Dance. Paul Rowe and the Quintones provided the music. The biggest and most exciting affair of this year was the Junior Prom. Marcia Nolan was chosen queen and her escort, Donnie Kratzer was king. The class officers for this year were: President, Barbara Kellogg; Vice President, Bea Campbell; Secretary, Pat Nelson; and Treasurer, Gail Thornton. Student Council Representatives, Ruth Becker and John Prego. The third step toward becoming dignified Seniors was completed.

At last, the top was reached. The last step had been taken. Our freshmen had become Seniors. They were twenty-three in number, and the following were chosen as class officers; Gail Thornton, President; Marie Radcliffe, Vice President; Ruth Nolan, Secretary; and Paul Simkin, Treasurer. Bobby Chase and Pat Nelson were Student Council representatives. Marcia Nolan held the office of President of Student Council while John Prego was Chief-of-Police, Barb Kellogg was Fire Warden, and Bea Campbell was Treasurer. Mr. Kelly was once again class advisor.

In order to earn money for their senior trip, they sold Christmas cards. They also had a concession stand at all the home games. At last notice they were also planning a couple of other activities. In addition to all this, the seniors helped to produce two plays. The senior trip would be the big thing this year. The date they were to leave for New York was set for April 16th. Graduation! It has been four wonderful years for these students. I'm sure the seniors will agree that they were four of the best years of their lives. I'm also sure that I speak for everyone when I say "Seniors--Congratulations, and the best of luck in the future!"

The members of the Girl's Chorus, Mixed Chorus and the Orchestra met shortly after the start of school and elected officers for the combined music organization as follows:

Presedent - Joy Gillis
Vice-President - Joan Carter
Secretary - Carolyn Lyndon
Treasurer - John Rantanen

Each year, these organizations put on a Christmas Concert and a Spring Concert, under the direction of Mrs. Culver and Mr. Bardeen.

Groups of interested students have formed other musical groups such as the dance band and the girls ensemble.

The various groups also took part in the county Music Festival. The Junior High girls went to Union Springs on April 2nd; the Girls Chorus and the Mixed Chorus participated April 9th at Cato-Meridian school; the orchestra went to East High to play their part in the county-wide program.

As his eyes caught a glimpse of the neatly typed sheet, neatly tacked on the bulletin board, he screamed, clutched his throat as he gasped "The List" and then covered his face in terror. An, now we are getting somewhere. I looked at the board to find " the list." There in the middle of our information booth was a white sheet of paper with a few introductory lines followed by a list of perhaps fifteen or twenty names. Why of course, they were all talking about the new Elegibility. Rules.

If kissing is the language of love then some people have an awful lot to talk over.

Bobby Chase has played a magnificient game every time. He got 16 points at Union Springs and 20 points at Lansing. We Should be proud that Bob is on our team.

On December 15 there will be a rollar skating party. Busses will be provided. There should be lots of fun, so all you rollar skating fans sign up to go with the class representatives.

The cheerleaders held their first pep rally Friday. It was quite a successful one. Speaking of Cheerleaders the new uniforms look real neat, don't you think?

The Echo Staff has tried in many ways to tell of the construction going on in connection with the new school. We have taken snapshots of the new building as it progressed along its way. In talking to the Seniors we were told that they regret that they will not be in the new building at least one year before they leave. They hope to be able to graduate from the newly enlarged gym. The Juniors also hope to have the new gym for the Prom this spring. We, of the Echo Staff, hope you like our book half as much as we enjoyed putting it together.

In the fall of 1953, the combined Senior and Junior classes presented the teen-age comedy, You Can't Kiss Caroline by Maureen Daly.

The lead roles were played by Nancy Cleveland as Caroline and John Prego as Joe. The plot centered around a bet by the boys that Joe couldn't kiss Caroline. The scene for all the action was Ma Rand's drugstore.

Everyone enjoyed the play which was different from the usual. The drugstore and the parts seemed to fit everyone perfectly to make it a good production. All those in the cast enjoyed putting on this performance but they were glad when it was over.
